This letter is to inform you that I have chosen to resign as the Director of Elections for Perquimans County. My final date of employment will be July 18, 2025.

While my 3 years as Elections Director have allowed me to grow professionally as an administrator and department head, the salary range for the Director of Elections does not meet the job expectations or responsibilities of this role, nor align with the value this department brings to Perquimans County and its residents. It is for these reasons that I can no longer fulfill my duties here.

I take this opportunity to express my gratitude to my coworkers, poll workers, and other county department heads and staff for their support and collaboration with the Perquimans County Department of Elections, ensuring that safe, legal, and fair elections were conducted in a transparent and non-partisan manner.

It is time for me to utilize my talents elsewhere.

I wish you and the county all the best for the future.

Regards,
